THE SONORO'S STORY

The Sonoro was first founded in 2011 by Sarin Chintanaseri as an ensemble group of vocalists for church music and later evolved into a full band incorporating woodwind, ukulele, percussion, and piano into the four main voices of soprano, alto, tenor, and baritone.

We are a group of passionate musicians gathered for musical appreciation across various genres including pop & jazz, Broadway, classical, Disney, caroling, church music, doowop, a cappella, folk, and chorus. We bring in our own interpretation and a charming twist to traditional songs and deliver our music both with passion and professionalism.

We tailor our performance for each client's preference and perform both for private events, corporate functions, wedding parties, wedding mass, as well as in public events. For inquiry, please contact us at +66 85 222 7432 or leave your message at sarinchorusman@gmail.com
